

## **Veritas in Prayer**

### **The Heartfelt Prayers for Veritas Academy from your prayer team The Blessing of Community**

Father, through Christ, You provided a way for us into Your family. We are sons and daughters of royalty. In Christ, as part of Your family, we are partakers of Your divine nature. (2 Peter 1:4)  
Father, what great love You have for us that You call us “children of God.” (1 John 3:1)  
Father, being born into this spiritual heritage, as children of God, we pray that we grow up into spiritual maturity through Christ.

We realize that we must first walk in Truth with You, knowing who we are in Christ. By doing so, we will be able to fully live in harmony with one another, our brothers and sisters in the body of Believers. Lord, we stand against an enemy who wants us to live in opposition to the truth. The father of lies deceives the whole world and accuses the body day and night (Revelation 12:9) We deny these lies, and we profess that we will live in harmony with one another. We will choose to treat one another in our community as brothers and sisters saved by grace. We commit to accept one another as children of God and to build up each other. We choose to have mutual acceptance of one another, appreciating the beauty of our unique gifts, talents, and abilities. We will work accordingly to affirm one another in our unique gifts.

We trust, Lord, that You have called us to a unique purpose in this city. Some are called to teach, others to lead, exhort, show mercy, and more. May we never lose sight of this. We commit to “let no unwholesome word proceed from our mouths, but only such a word as is good for edification according to the need of the moment, that it may give grace to those who hear.” (Ephesians 4:29-32) We will adhere to this Word, knowing that we will hinder Your work here on earth if we choose to undermine one another. Trusting one another in our Veritas family begins with trusting You, Father. We will not walk in fear of each other because we know we have a heavenly Father who is working everything for our good. We also choose to believe the best of one another. Protect our hearts from a critical spirit, always looking for the worst in others. Help us look for the best in our brothers and sisters in the faith, and may we work together for the purpose you have for us at Veritas. The more we trust You as the source who will bring about Your purpose and plans, the more freely we can live without fear of one another.

We anticipate and look forward to all the blessings you have for our community, and we trust there are many. We have already been the recipients of so many. May we continue to choose to look for whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable-if anything is excellent or praiseworthy-we will think about these things...(Phil.4:8) In doing so we will reap a harvest of blessings in this community if we don't give up.
