

WHY 5TH & 6TH GRADERS NEED THESE Study Essentials Courses

Effective study skills are essential for academic growth and success not only in school but also for lifelong learning.

THIS TWO-PART COURSE FOR 5TH & 6TH WILL EQUIP YOUR STUDENT TO:

-  **Set smart goals**
-  **Use FACTS (RenWeb) and a planner to keep track of upcoming assignments and events**
-  **Use project rubrics to pace projects into small, achievable goals with targeted end dates**
-  **Better organize his/her binder**
-  **Utilize PQRST reading skills (preview, question, read, summarize, test)**
-  **Take “jot” notes to write summaries and develop paragraphs**
-  **Use a 2- and 3-level outline for reading and writing**
-  **Effectively study for various types of test questions such as multiple choice, true/false, short answer, etc.**
-  **Access databases for research purposes**

DID YOU KNOW?

- Skills taught in these classes are expected in all core classes and continue through 12th Grade
- Part II (6th Grade) builds on what was learned in Part I (5th Grade). They are not identical!
- Part II will include a focus on learning styles and multiple intelligences
